

Personality Analysis - Lo Shu

Profile Details

Name: Mukesh Ambani

Date of Birth: April 19, 1957

Mobile Number: 8778877877

4	9, 9, 9	
	5	7, 7
	1, 1, 1	

Combination	D-1/C-9
Mind Number (Basic)	1
Body Number (Destiny)	18/9
Kua Number	7

Mind Number: 1 (Sun)

1,10,19,28

All these digits are of Surya (King). But the strength in these numbers is not the same. It has 19 strength 28 as weak points. Like a king is a good leader. Similarly, this number has the power to suppress others. There is power in their talk, and their answers are high. They are egoistic, arrogant, and are the initiators in life. They have the strength to struggle in adverse circumstances. 19 is said to be the best, and 10 is the second-best. They have the quality to be a good leader, but in contrast, the 28 date is called for stubbornness. They like to know what is inside in a person and always talk about important issues.

Those with number 1 are full of energy. As the sun is called the source of energy and the flow of the cycle of life is considered a medium. Similarly, the natives of number 1 make an important place in society. He comes to realize his dreams and this is his specialty. He would enjoy every means of happiness. They are fond of discipline and honesty. They always prefer to do high-ranking work. They like to do work related to medicine, Astrology, and art and they perform best in politics. Along

with this, they always show more interest in politics and the ability to recognize anything. There challenge their every difficulty in life.

Lucky Profession: Top level Administrators, Government Officials, Entrepreneur, Industrialist, Researchers, Scientists, Politics, Medical Surgery.

Lucky Crystal: Cairtin, Gold Agate, Sun Stone

Lucky Color: Yellow, Gold Bronze, and Brown

Lucky Month: 21th July to 20th August

Lucky Days: Sunday and Monday

Direction: North

Elements: Water

Disease: High BP, Indigestion, Eye diseases, Heat stroke, jaundice, Brain Haemorrhage

Relationships: They have many personal relationships in the early years of life. They are attracted towards beautiful people. But due to stubborn nature in married life, there can be many types of problems.

Remedies:

1. Suryanamaskar every day.
2. Wear ruby in gold minimum 3 carats in the 3rd finger.

Body Number: 9 (Mars)

Keywords: Humanitarianism, selflessness, idealist compassion, completion, universal love.

People with a destiny number of 9 are inclined to be self-sacrificing. Sensitive, caring people with a strong need to serve others, they enjoy helping others and frequently give much more than they receive in return. Consequently, they can easily be taken advantage of by others. Nines are romantics at heart and are profoundly disappointed when their deep, true love is not returned. These humanitarian aims of the nine are usually slightly detached and universal in scope. Nine is the third creative-number and these people often express their creativity in writing, though it can come out in many different ways.

You will find many negative people having destiny number nine. This is because it is so difficult to remain selfless and giving in a materialistic world. These people try taking instead of giving. They never find any satisfaction in this, as they are fighting their true nature.

Kua Number: 7 (Ketu)

This is the Tui Kua and its element is also metal. People with this Kua number have the following personality traits:

Positive Traits: Optimistic, Artistic, Graceful, Levelheaded, Visionary

Negative Traits: Picky, Self-absorbed, Defensive, Emotionally repressed, Unreasonable

Best Colours: Yellow, Beige, Brown, Gold, Silver, Copper

Auspicious Directions for various purposes:

Money and Success: North-West

Better Health: South-West

Love and Marriage: North-East

Spiritual Growth: West

Combination Number: D-1 (Sun) / C-9 (Mars)

□□□□ **Super Successful**

Number 1 sun (king), number 9 mangal (general).

When the commander is with the king, he handles his every task. This combination is going to give a lot of success. If the children of matching numbers 1 and 9 are born in a poor house too, then they themselves achieve such a place in life that their future generations will cherish them. They never look back and reach the pinnacle of success. They do not require any partner or support. It can win in any situation. If their Base number is 1 and the date of birth is 19, then they will go to very high heights. Arrogance arises among these people. They will be successful even if the bar chart is empty.

If a woman's numbers 1 and 9 matches, then she will do business. The native with basic number 1 and Fate number 9 work in the right direction with good understanding. They think for the good for their country. They do not like to work under anyone. They do not allow injustice on themselves. Due to the courageous and aggressive nature, many times they do risky work and they have the ability to work continuously through difficulties and troubles in a successful manner by courage. They do not break into conflict but become more powerful. If their names are unfavorable, then they are troubled by eye problems and become selfish and try to complete their work incorrectly.

Missing Numbers:

Number: 2

Number 2 (Moon)

People without the number 2 in their charts are lacking sensitivity and intuition. Consequently, they will make many mistakes by ignoring the still, small, quiet voice within themselves. They are inclined to be impatient and unpunctual. There is a tendency in these people to try to justify their actions, rather than admitting the fact that they have made a mistake.

These people need to learn to achieve balance in their life. There is no sensitivity in such a person.

They are unable to help others. There is a lack of intuition power that does not let them foresee things. They do not even appreciate the feelings of others. They keep making small mistakes without listening to their mind. Such persons should control their mind. They should appreciate the feelings of others and accept their mistakes.

Remedies:

Remedies- Wear crystal bracelet.

RUDRAKSH AND CRYSTAL BRACELET

In Hinduism, Rudraksha is regarded as the sacred bead and one of the symbols of Lord Shiva. Scientifically, Rudraksha helps to neutralize neurophysiology of the body. The highly positive bead Rudraksha is capable of warding off the negative effects/energies around the wearer. The power of Rudraksha gets multiplied when paired up with crystals. Crystal is popular because of its lustre and beauty. Alongside, it has many health benefits and a soothing effect on the wearer. Wearing a bracelet made up of Rudraksha & Crystal creates abundance! It is all purpose crystal for health education, career, success, spirituality & protection. It enhances intuition & wipes out negativity. Crystal stone possesses a strong field of light and energy which provide sonic protection against negative vibrations. Clear Quartz is a stone of clarity. Clear Quartz is mainly used by followers of Lord Shiva to appease him. Sphatik (also called as Quartz crystal) is a power stone. It is also known as 'Shivratna' and adorning a bracelet of Sphatik brings about financial, mental, and social benefits. Bracelets for men stylish - Clear Quartz enhances energy by absorbing, storing, amplifying, balancing, focusing, and transmitting.

Benefits:

- It attracts higher & positive cosmic vibrations.
 - It adds stability to your personality and life.
 - It enhances the concentration power.
 - It improves your relationships.
 - It makes you fortunate in many life affairs.
-
- It helps you to succeed in spiritual practises such as meditation or prayers, etc.
 - It blocks stress, negative energies & waves. Clears aura, creates awareness of the surrounding.
 - It releases the anxieties and worries by soothing the nervous system.
 - It adds overall success in your life mentally, socially, financially.

HOWLITE BRACELET

How lite is one of the “atonement stones” which link the user to higher spiritual consciousness. How lite opens and prepares the mind to receive the energies and wisdom of atonements. How lite is an aid to insomnia, especially when caused by an overactive mind. Formulates ambitions and aids in achieving them. How lite strengthens memory and stimulates desire for knowledge. It teaches patience and helps to eliminate rage, pain, and stress. A calming stone, How lite calms communication, facilitates awareness and encourages emotional expression.

Benefits:

• It allows for calm and reasoned communication to take place. • It releases the strings that tie old emotions to present life triggers. • Placed under the pillow, it is an excellent antidote to being unable to fall asleep, especially when this is caused by an overactive mind. • It also helps to overcome a tendency to criticalness and selfishness, strengthening positive character traits. • It is a lovely stone to use when needing to reduce anxiety, tensions, and stress. • It can help to access/retrieve wisdom during the dream state and bring it back into consciousness upon waking. • It can help with the absorption of calcium into the bones and teeth and can balance the emotions. • It strengthens positive character traits, removing selfishness, rude behaviour, and greed.

Number: 3

Number 3

People without number 3 in their charts, lack confidence and find it hard to express them. They are inclined to underestimate themselves and can be overly self affecting. They find it hard to think logically when face distractions. They need to learn to accept themselves as they are, then move forward for gaining confidence and self-esteem at every step.

The level of imagination and knowledge of such a person are low. They do not even have any vision for their future. In a mental, physical and financial crisis, they are not able to fight back against the situation. They tend to get upset soon. They are not interested in the subject of spirituality and knowledge.

Remedies:

Remedies - Wear a garland of Tulsi or Rudraksha.

Number: 8

Number 8 (Saturn)

People missing the number 8 in their charts are poor at handling their financial matters. They can be

overly careless or too trusting and suffer financially as a result. They also tend to lack motivation and leave tasks unfinished. They need to learn to control natural impulsiveness and think before acting.

They are not disciplined. They are not able to keep track of their money like how much they have earned, how much they have spent and what is left. Such people do not believe in hard work. They do not have stability and want to earn money quickly in life.

Remedies:

Remedies: Wear crystal bracelet.

BLACK TOURMALINE

Black Tourmaline (Schrol): is the premier talisman of protection, a psychic shield deflecting and dispelling negative energies, entities, or destructive forces. It guards against radiation and environmental pollutants and is highly useful in purifying and neutralizing one's own negative thoughts and internal conflicts, and turning them into positive, usable energy.

Benefits:

- It is worn to help protect people from negativity.
- It grounds spiritual energy, clears, and balances all the chakras, and forms a protective shield around the body.
- It aids in understanding oneself and others, taking you deep into yourself, promoting selfconfidence and diminishing fear.
- It promotes a sense of power and self-confidence, allowing for a clearer, more objective view of the world.
- It receives the negative energy or psychic attack and transmutes it BACK to the sender.
- It shields from harmful electromagnetic radiation—from TVs, computers, and mobile phones—by emitting a small electric current.
- It is overall a best negative energy Protector.

Personal Year:

According to Date of Birth: 5

Personal Year 5:

This is a year of change and variety. After the seriousness of the 4 personal year, you will be ready to

do something exciting and different. This is the perfect year to change anything in your life that you not happy with be it a career, home, partner or even country. You have to be prepared to expect the unexpected. Consequently, you are likely to find yourself doing things that you never thought possible. If you have always wanted to go bungee jumping, but never quite got around to it, this is the year to do it.

Keywords: Keywords: Change Variety Expect the unexpected

According to 1st January: 4

Personal Year 4: After years of fun, you will be wanting to get involved in something more serious. 4 personal years is a year of hard work. If you set a specific goal for yourself at the start of the year, you will find that you will have achieved it by the end of the year. You will probably still be pleased that the year is over, but will also have something to shot for it. If you have no specific goal in mind, you will find the tone of year to be serious, heavy and restricting.

This is why most people consider the 4 personal years to be the most difficult year of the Epicycle.

Keywords: Keywords: Hard Work and goals will be achieved
