TALENT NUMBER 9

Keywords: Born with tolerance, humanitarian, philanthropy, and compassion.

Overview: Numerology sees number 9 as the number of resolution as well as completion. In many ways, these are mysterious and highly unique people. Those born in number 9 are born leaders. Even if they are not given the ruling position, they assume it in every situation they are put in. They take care of all other people so very well. However, they are very poor in expressing their needs. In some cases, 9s enter into differences of opinion with their parents and get separated. In some other cases, they feel highly responsible for their parents and take care of them so well. 9s feel very difficult to forget their past and escape from their bitter memories. People sharing number 9 are humanitarians to the core. Their highest priority is to help others and be of great service to humanity. They can never tolerate any other people being less fortunate than them. These people always like to make friends with likeminded individuals. The ultimate goal and vision they cherish in their heart are to make the world a better place to live. Hence we find persons with number 9 very unique and highly motivated to seek the welfare of others.

Personality: Persons with number 9 are always giving. In their tendency to give not minding their backup, it is natural that these people do not maintain their finances in a good shape. These people are also prone to scatter their capabilities and talents losing focus of their goals. Therefore they must try to avoid getting preoccupied with several tasks at one time. Some 9s might divert their focus on being materialistic rather than giving others. This tendency could leave them with a sense of dissatisfaction with themselves. Number 9 always stands for endings and spiritual awareness. In their lifetime, people with number 9 are required to overcome several challenges and difficulties. In most cases, these individuals have a bad relationship with either one or both of their parents during the early part of their life.

Career: By nature, these are volunteering people who play big roles in serving the welfare of humanity. So, they lead a life of sacrifice at the cost of forgetting their own personal welfare. These people make up

careers in the field of justice or diplomacy. It is very common to find these individuals occupy a high position in the sectors of human resources, archaeology, anthropology, and sociology. They have a strong ability to lead and guide others and render their unfailing support. They can also make great coaches and social workers. They have a flair for giving vent to their innate talents through visual arts and delight others.

Love life: In most cases, the concept of relationship, marriage, and settled life does not go well with those born in number 9. In fact, the idea of soul mate does not please them at all. These people are fully against emotional games, possessive attitudes, jealousy and other maladies connected to love relationships. General numerological observations show that those people with number 9 look at the concept of relationship with disgust. They are not attracted to sex. This is something unnecessary to them and if at all they indulge in it, they do it for the sake of procreation and not for pleasure. Therefore in most cases, they find it difficult to satisfy their partners.

Marriage: number 9 is represented by Mars. This is a planet of destruction and war. Therefore we see that 9s possess a lot of aggressiveness and energy. These are highly emotional individuals. They share a lot of feelings for others. However, they are incapable of expressing their real feelings and therefore it is not possible for those around them to perceive their feelings. In most cases, these individuals do not get attracted to marriage and sex. However, once they are settled with marriage, they take their relationship so seriously and do well to take care of the needs of their family members in a meticulous manner.

Compatibility: When it comes to relationships, number 9 faces the biggest challenges in front of them. These are secretive individuals and always wish to maintain the integrity of their internal world without exposing it to other people. Though they can make good friends, they do not like to open up their difficulties even to their dear ones. These persons always seek to create a sophisticated image in front of others. The strong sense of insecurity associated with marriage makes number 9s hesitant to go for marriage. They tend to step into marriage very cautiously and stay prepared all the time to come out of the situation when they happen to face some difficulty. The most intuitive and sensitive

2s can make a good partner to number 9s. The highly protecting and caring number 6s are also great matches for you. Since 3s are also imaginative, creative, and artistic like 9s, they can get along very well with number 9. The humour in 3s can complement the serious nature of the 9s and help ease the situation. It is highly advisable that 9s avoid the erratic 5s and the intellectually offbeat 7s. Though 9s get attracted to 1s, this relationship might not prove favourable in the long run.

Remedies: You are advised to religiously light a 'ghee lamp' under Peepal tree. Worship Lord Shani with incense sticks, also avoids consuming alcohol and non-vegetarian food. Your lucky gemstone is Sapphire and the mantra for success is: 'Om Pranm Prinm Praunm Sah Shaneshcharay Namaskar

Expression Number: 45/9

Achievement Number: 5

NUMBER 5

Description

You give the impression that you achieve when you're adventurous, fearless, and move with progressiveness and change. You'll have a tendency to succeed when do things in a "larger than life" way. You're playful, fun, and usually love being the center of attention. If you aren't living up to your high-octane standards, you'll be a martyr or stir the "DramaPot" wherever you go. You're flirty, gregarious, and full of life. Change is your mantra and freedom is your number 1 priority.

Where you might struggle:

You can swing from extremes- either too free- wheeling and scattered OR fearful and myopic. You tend to attract restrictive circumstances into your life in order to define your personal sense of freedom.

Soul Number: 1

Heart Number 1

Keyword: The person feels independent at heart and is honest, determined and ambitious. He likes to become the leader in the organization and not the subordinate.

Prediction: You have a deep need to become #1 at everything you do in your life. When you look deep into your core, you have an underlying and pressing need to be independent, exert your individuality, and take the lead and achieve in whatever you set your mind to. Your task is to develop your true, authentic self, and to become the leader in whatever field you find you're the most passionate and skilled. You want to be the best at everything you do. You expect very high standards of performance from yourself and, in turn, also expect the same from others, which can also set you up for frustration and disappointment. Your purpose is to take the lead and take initiative. You're meant to have courage, act independently on your unique and original ideas, be innovative, and take charge. All this while communicating and acting with clarity and compassion. You have great intelligence, amazing insights, are highly creative and innovative. Underneath it all, you want to be the trail-blazer, the pioneer, the original thinker. This person does not have any space of self-doubt in his mind due to high levels of courage, willpower, and determination.

Struggles: Some of your internal struggles might include a battle with low self-esteem or a lack of self-confidence.

Suggestion: You need to demonstrate your originality and leadership and also teach it to others. The One Soul Urge number demands that you develop yourself from feeling dependent on independence - into individuation, and (ultimately) achievement and leadership. Beware of defaulting into defeat and staying there. That's when you resort to self-absorption, cynicism, bullying, and battles with addiction.

Personality Number: 8

Personality Number 8

You need to be in control of your surroundings, and usually are. You have excellent organizational skills, being able to motivate not only yourself to extraordinary lengths but also everyone around you. Your streak of perfectionism can get you far, although you may reach your goal alone and partners and associates will have fallen by the wayside long before, either unable to match the relentless pace or isolated by your over-riding need for material success. So you must learn to relax more in relationships.

Maturity Number: 9

Maturity Number 9

A Maturity number of 9 signifies the humanitarian and universalist who knows that we are all brothers and sisters living on one earth. Nine is the archetype of the Reformer who has a broad vision that encompasses everyone, everywhere. Wishing to improve a lot of humankind and of the world, 9's serve with willingness and compassion. Possessors of deep and powerful emotions, they work for causes with great energy and enthusiasm because of their vision of what the future can be.

They weed the garden of the world in order to prepare the ground for the new growth that they envision. Nines have great personal magnetism through which they are able to influence people. Inspired and inspiring, they teach, counsel and heal. Uncomfortable living a personal life, they are at their best living their lives for the greater good.

Rational Number: 6

Rational Thought Number 6

If you get rational thought number 6 in your numerology reading, you tend to go into great details regarding any matter. In this pursuit you lose

concentration and interest of the things in hand.

You don't give much importance to the larger picture since you are very sensitive and emotional. Although you are practical and realistic, you do not give much thought to the secondary parts and just concentrate on the primary parts of any problem.

Challenge Number: 3 (27 - 36) years

Challenge Number 3

If you have a 3 as Challenge number then, you're learning to identify your

feelings and to speak from your heart. It's a time where you're truly learning and mastering one of the major teachings of the number 3 vibration. Your words have an intense impact on your life. Sometimes, the challenge resides in taking yourself and your feelings and to use humour for criticism to mask your feelings. Or perhaps your challenge will be in taking yourself too seriously. Some of the tendencies that the number 3 vibration brings with it are the inclinations for thoughtlessness, exaggeration, being self-centered or moody, and having scattered energy. What this Challenge Number is inviting you to do is to use your creativity to develop your positive, happy, loving, and inspirational spirit. Wasting number 3 energies is like throwing away a priceless gift. It's the vibration of pure happiness. You might feel the compulsion to do too many things at once during a Pinnacle that has a Challenge number 3. Despite your elevated imagination and gift for words - both written and verbal - this challenge number will knock you over with "block" when you want to express yourself effectively and honestly.

Even though you know you should be "out there" interacting with friends and business associates, but you'll feel the urge to bury your head in the sand and the common uneasiness or hesitation, you can't seem to shake - or at least not for long. Instead of experiencing the great joyous vibrations which the 3 has to offer, you'll instead be bombarded with hopelessness or perhaps depression. You'll struggle with feelings of negativity even to the point of becoming defensive and reclusive. You might also have a tendency for money to slip through your hands during this time.

You may have a talent or desire to practice your talents for writing, acting or speaking. yet you're reluctant to involve yourself with these activities because the thought of facing criticism is overwhelming for you. So you turn to expressing yourself with the negative emphasis such as pessimism or ruthless judgement, or you might hide your creative talents behind a facade of withdrawal and feelings of shyness. You're being called to develop yourself in a social and creative way. You must jump over the destructive landmines along your path.

Pinacle Number: 5 (27 - 36) years
